The parties have requested additional time to complete the dissemination of the guidelines regarding disease and disability criteria that are under the terms of the Agreed Order scheduled to be published on April 1, 2008 and certain dates thereafter. This is the final cure deadline for Covered ANDS Claims. Covered ANDS Claimants who do not cure their deficiency on or by December 1, 2008 will have their claim denied pursuant to Section 7.09(b) of the Settlement Facility and Fund Distribution Agreement.

c) Systemic Lupus Erythematosus (SLE) – On or before July 14, 2008 the SF-DCT shall release information in the manner described in the Agreed Order concerning Systemic Lupus Erythematosus (SLE) claims. This is the final cure deadline for Covered SLE Claims. Covered SLE Claimants who do not cure their deficiency on or by January 14, 2009 will have their SLE claim denied pursuant to Section 7.09(b) of the Settlement Facility and Fund Distribution Agreement.

d) Atypical Connective Tissue Disease (ACTD) – On or before September 2, 2008 the SF-DCT shall release information in the manner described in the Agreed Order concerning Atypical Connective Tissue Disease (ACTD) claims.
