#### **2. WHAT DO I NEED TO DO TO RECEIVE THE \$1,200 (U.S.) EXPEDITED RELEASE PAYMENT?**

Complete and submit this claim form. Also, send any of the following medical records or documents that show that you were implanted with a Dow Corning breast implant:

- A. Hospital records of the surgeon's report of the breast implant surgery — written at or near the time of your implant surgery — that specify a Dow Corning brand name or Dow Corning as the manufacturer. The list of Dow Corning brand names is at Question 4 below.
- B. A "certified copy" of your medical records that contains the breast implant package label demonstrating a Dow Corning breast implant. (*Read Question 3 below for a definition of "certified copy."*) Note: a certified copy is required only if:
  - 1. The label is on a page that does not affirmatively reveal it to be a part of your hospital or medical records and does not have a lot number, serial number, or catalog number on it; or
  - 2. The hospital records are organized so that the breast implant label/sticker was put on a page by itself. If the page containing the breast implant label/sticker clearly comes from the hospital's contemporaneous record of the breast implant surgery, has other information relating to your hospitalization on that page, and has sufficient patient identification for the Settlement Facility to tell that it came from your records, it falls into the acceptable proof category of contemporaneous hospital records, and does not have to be certified.
- C. Breast implant labels clearly marked with a lot, serial or catalog number. (*Read Question Q5-9 in the Option 2 Claimant Information Guide for information about lot, serial and catalog numbers of Dow Corning breast implants.*) These labels do not have to be certified.
- D. Medical records of your implanting surgeon — written at the time of your breast implant surgery — that specify a Dow Corning brand name or Dow Corning as the manufacturer. The list of Dow Corning brand names is at Question 4 below.
- E. An affirmative statement from your implanting physician (or a responsible person at the treating facility where your breast implant surgery took place) attesting that you were implanted with a Dow Corning breast implant. The person making this affirmative statement must also provide the basis for that conclusion. This type of proof is acceptable only if:
  - 1. The records outlined in subparagraphs 2A and 2B above are not available; and
  - 2. It must include a description of what steps were taken to try to secure the types of proof outlined in subparagraphs 2A and 2B above; and

  - J. Dow Corning's invoice or packing list contained in your medical or hospital records relating to the breast implant surgery. If the Settlement Facility cannot determine that the invoice or packing list actually was included in those records, they may require a "certified copy" of the records or a supplemental statement from the records custodian.
  - K. Dow Corning's catalog with a particular type or style of breast implant circled or otherwise marked, if contained in a "certified copy" of your medical or hospital records relating to the implant surgery, which were compiled and/or produced before or about the time of that surgery.
  - L. "Patient Informed Consent" forms signed by you and dated close to the date of your breast implant surgery, accompanied by other contemporaneous medical or hospital records verifying that the breast implant surgery actually occurred and identifying Dow Corning as the manufacturer of the breast implant.
